

AORAKI COMMUNITY EDUCATION TRUST BOARD

Philosophy.

At North Haven Child Care and Education Centre we provide high quality care and education for all children, enriching each day of their early years with a fun, play based curriculum where children are empowered to be competent and confident lifelong learners.

We embed the competencies of whanaungatanga and manaakitanga in the fabric of the North Haven culture. All Kaiako and members of our learning community work in a respectful partnership to grow children who are active, curious and creative, and have a strong foundation of self.
