

AORAKI COMMUNITY EDUCATION TRUST BOARD

North Haven Child Care and Education Centre is a community based, not-for-profit early childhood centre.

Please help us raise funds through the “Bags for Good Neighbourhood” programme to purchase Tablets (ICT equipment) to use with our children.

ICT encourages purposeful and exploratory play, discussion, creativity, problem-solving, risk taking and flexible thinking.

ICT is a great resource for accessing information in the moment, and can also be used for viewing photographs and writing stories.

Tablets can be used anywhere to access information, music and videos to support the children’s learning and ICT can enable parents, families and communities to be included in their children’s learning in new ways.

Location: 23 Arthur Street, Timaru

Phone: (03) 684-3801
